

NA-ACCORD

- North American – AIDS Cohort Collaboration on Research and Design
- Established in 2006
- Part of a global initiative called IeDea (International epidemiologic Databases to Evaluate AIDS)- North America, South America, Africa, Asia
- Funded through a grant from the NIH (NIAID and NCI)

NA-ACCORD Collaboration

25 Collaborating Cohorts in Canada and US (>200 sites)
 Participants from: 47 US states and D.C., 1 US territory,
 and 5 Canadian Provinces

NA-ACCORD Participants

- ALIVE: AIDS Link to the IntraVenous Experience
- ALLRT: AACTG Longitudinal Linked Randomized Trials
- CWRU: Case Western Reserve University Immunology Unit Patient Care and Research Database
- Fenway: Fenway Community Health Center
- HIVRN: HIV Research Network
- HOMER: HAART Observational Medical Evaluation and Research
- HOPS: HIV Outpatient Study
- JHHCC: Johns Hopkins HIV Clinical Cohort
- KPMAS: Kaiser Permanente Mid-Atlantic States
- KPNC: Kaiser Permanente Northern California
- LSOCA: Longitudinal Study of Ocular Complications of AIDS
- MACS: Multicenter AIDS Cohort Study
- MHCS-II: Second Multicenter Hemophilia Cohort Study
 - MONT: Montreal Chest Institute Immunodeficiency Service Cohort
- OHTN: Ontario HIV Treatment Network Cohort Study
- RRC: Retrovirus Research Center
- SAC: Southern Alberta Clinic Cohort
- SCOPE: Study of the Consequences of the Protease Inhibitor Era
- SUN: Study to Understand the Natural History of HIV/AIDS in the Era of Effective Therapy
- UAB: University of Alabama at Birmingham 1917 Clinic Cohort
- UCHCC: University of North Carolina, Chapel Hill HIV Clinic
- UW: University of Washington HIV Cohort
- VACS: Veterans Aging Cohort Study and Virtual Cohort
- VAND: Vanderbilt-Meharry CFAR Cohort
- WIHS: Women's Interagency HIV Study

NA-ACCORD

- 130,000 HIV-infected persons in the cohort; 1 million person-years of follow-up time; reflects the North American epidemic demographically
- Productive collaboration:
 - Over 60 national and international presentations
 - Over 40 papers published
 - 10 other federal grants using this resource
- KP contributions
 - Contribute data and expertise to abstract and papers. In addition,
 - Dr. Michael Silverberg (KPNC) co-chair of Cancer Working Group, PI of one of the affiliated grants, member of global IeDEA Cancer WG.
 - Dr. Michael Horberg (KPMAS) member of Quality of Care WG, and a expert leader of health services research in the NA-ACCORD.

Data Elements

- Demographic
- Clinical
 - Clinical diagnoses
 - Laboratory
 - Medications
 - Procedures (some)
 - Hospitalization and Ambulatory visits
 - Health Insurance
- Cause of death

- Data transmitted from each participating cohort to a central data core, data transmitted in a standardized fashion, combined with data from other cohorts for analyses
